Create a retirement plan that's based on your needs

If you haven't set up a Retirement Goal, you will begin by selecting **Plan for Retirement** and answering some simple questions.

- 1 Click **Plan for Retirement** to get started.

Answer some simple questions,* like:

- 1 Your **personal information**:
 - Are you including a spouse or partner?
 - Are you employed or retired?
- 2 Your **retirement goal**:
 - At what age do you plan to retire?
 - How many years do you want to plan for?
- 3 Your **income and expenses**:
 - What are your current earnings?
 - How do you want to estimate expenses — by projected lifestyle or dollars?
- 4 Confirm **accounts**:
 - Review and confirm the accounts that will be included in your plan.
- 5 Click **View Results**.

Review your detailed Retirement Analysis

The retirement analysis is a one-page experience where you can model various scenarios and see the potential effect any changes may have on your retirement savings outlook.

- 1 **Retirement score:**
 - Represents the percentage of your average estimated retirement expenses your plan could cover, assuming an underperforming market.
- 2 **Display preferences:**[†]
 - View assumptions for a significantly underperforming market (90% confidence), a below-average market (75% confidence), and an average market (50% confidence).
 - See results using monthly or annual dollars via a chart or table.
- 3 **Results chart:**
 - Illustrates what you may have, how much you may need, and the potential gap (other chart views are available).
- 4 **About You:**
 - Update important information such as age, time horizon to retirement, anticipated retirement expenses, and tax rate in retirement.
- 5 **Assets & Savings:**
 - Update or add accounts (including non-Fidelity accounts), and how much you contribute to them.
 - Review or adjust your asset mix.
- 6 **Income Sources:**
 - Enter any income sources and Social Security amounts.

Take action or download your report for review

- 7 **Implement changes:**
 - Outlines changes that you may need to make to put your plan into action.
 - Automatically brings you where you need to go to take action and make changes.
- 8 **Download your report:**
 - Provides a snapshot and summarizes inputs, results, and potential action steps; reports are stored in the Reports section.
- 9 **Risk assessment:**
 - Scores participants who are 10 or fewer years from retirement against key risks of retirement.
